Anger Management diagnostic differences and
treatment implications.

HIRE THE EXPERT,
YOU CAN'T AFFORD NOT TO!

Disruptive Behavior Coaching & Consulting involves anger management, stress expertise, emotional intelligence, and interpersonal skill building skills. The emotional management behavior support plan represents the culmination of the assessment process. The program offering is led by efficacy of methods followed by the highly respected *Novaco Anger Inventory*. This test will see how you react in stressful situations and leads goal planning and best practices for monitoring and improving objectives performance.

Helping Healthcare Fulfill JCAHO Standards

“Zero Tolerance” for Disruptive Doctors and Administrators ~ [New Joint Commission Disruptive Behavior Standard](#) effective January 1, 2009. PractitionerPro® Disruptive Physician Programs are consistent with the Joint Commission Requirements New Behavior Standard and Revision to LD.03.01.01, EPs 4 and 5 including compliance fulfillment to the Sentinel Event Alert, Issue 40: Behaviors that undermine a culture of safety, bearing or reference to issues associated with inappropriate “unprofessional behavior.”
